Semester 1 Reports

As I read the Semester 1 reports, it has been wonderful to see the gains that the children have made over the first half of the year. Both students and staff have worked hard throughout the semester. Each student should be very proud of their achievements and endeavour to set themselves new learning goals for second semester. I would like to remind parents that staff at Valley View Public School are accessible for parent interviews throughout the year. If you are concerned about your child's progress at any time, please contact your child's teacher for an appointment to discuss your concerns. Student reports will be going home on **Thursday, 4th July**.

NCCD DATA COLLECTION

The NCCD is an annual collection of information about Australian school students with disability. The aim of the national data collection is to collect quality information about school students receiving an adjustment due to disability in Australia. The NCCD enables schools, education authorities and governments to better understand the needs of students with disability and how they can be best supported at school. Schools are required to make reasonable adjustments, where needed, to assist students with disability to access and participate in education free from discrimination and on the same basis as other students. This approach is based on the professional judgement of teachers about their students and the level of reasonable adjustments needed that draws on the broad definition of disability under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005. The data provided to the Australian Government by the NSW Department of Education is provided in such a way that it cannot be used to identify individual students or schools. For more information, please contact the school. Learning Support Team (Mr Chad Wootton, Mrs Marg Suanning , Mrs Lori Gibson, Mrs Fiona Curtis

There are three steps to follow:

1. **SHOP**—For every \$10 you spend at Woolworths you'll get an Earn & Learn sticker.

2. **COLLECT**—Collect as many stickers as you can between now and 25th June.

3. **GIVE**—Give your stickers to our school so we can redeem them for new equipment.

We have a collection box located in the front office where you can put your stickers. We also have the sticker booklets that you can collect from the office to stick your stickers on!

OFFICE NEWS

Procedures for payments to school and notes:

Students must bring money to the office in the morning, there is a box on the front counter that they can put their money in.

Parents please remember to:

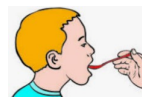

Put money in an envelope or a plastic bag

Clearly print your child's name, class, and purpose for the payment on the outside of the envelope or bag. Loose money does not get accounted for because we do not know who it belongs to!

We appreciate your help.

Nicole Dorratt
School Administration Manager

MEDICATION AT SCHOOL

If your child needs medication at school, parents will need to have a doctor's letter stating the time, dosage, and what the medication is. Medication needs to be given to the school with a medicine cup/syringe in the bottle or packet with the prescription label on it. You will also need to complete a form that the office will give you.

As per Department policy, we are unable to give over the counter medication at school unless it is prescribed by a doctor, and has a letter from the doctor containing the information as shown above. This is a legal Department policy.

ATTENDANCE

The importance of arriving on time.

Arriving at school and class on time.

- ◆ Ensures that students do not miss out on important learning activities scheduled early in the day
- ◆ Helps students learn the importance of punctuality and routine.
- ◆ Give students time to greet their friends before class
- ◆ Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

OFFICE NEWS—Parent Transport Requirements

Paperwork required **BEFORE** the day you are transporting students:

- ◆ Copy of vehicle registration papers
- ◆ Copy of car insurance
- ◆ Working with Children's Check
- ◆ Appendix 5 with 100 points of identification

Without this paperwork, you cannot legally transport children in your car. This needs to be in the office at least 1 week prior to the event as it needs to be processed. This is a legal Department policy.

What a term this has been, and next term is going to be busier! As a P&C we are so thankful for the growth we are having. We are learning so much through this experience and meeting so many new members of our wonderful school.

Your P&C Provides

We will continue to look at aspects at which your P&C enriches your school experience when we return next term, starting with School Discos.

Breakfast Club

Unfortunately due to volunteer commitments, as of the 16th of August, we will not be able to offer this service on Fridays unless we are able to find a new volunteer or two. If you have a spare hour in the mornings and would like to know more, please email Lisa through vicepresidentvvpc@gmail.com or see any P&C Executive Team member.

Bakers Delight Wyoming continue to donate their delicious loaves for this service. Thank you so much to them and our hardworking volunteers for their amazing support.

Appendix 5- Volunteer Requirement

We have a lot of events coming up next term and we would love more volunteers ready to go. Please take 5 minutes before you volunteer to fill in this easy form. Just provide the completed form along with 100 points of ID to the Office, 3 days before you wish to volunteer, it's super easy. Once you're on the list, you are able to volunteer for 12 months. This is a DET requirement, it is for all immediate family members of an enrolled VVPS student (Parents, grandparents, and siblings).

Uniform Shop Clearance Sale

We would love to see this stock on our kids instead of going elsewhere, let's get it out the doors. We will look into opening an additional day next term to see if we can clear this stock more. Our Facebook page will provide updates of opening times if necessary.
