# PRINCIPAL'S REPORT

## Guidelines Update

As guidelines ease in the community, so do those that we have lived with for a significant amount of time in schools. Below is the list of updates for school operations:

### Cohorts

This week we will no longer be using 'Bubbles' to maintain cohorts. We will, however, be trialing a rotating playground roster for K-2, 3-4 and 5-6 groups due to the significant decrease in negative playground incidents since cohorting was introduced. We will continue to gather data and monitor the success of this throughout this term.

In the mornings, K-2 will meet under the COLA and 3-6 in the amphitheater.

The 'Bubble' gates will no longer be required to be used and the Elizabeth Street gate will be able to be accessed. We have however, seen a huge growth in the resilience of our students in coming to school on their own so we do encourage you to continue with this.

If you have a Kindergarten child and would like them to use a different gate, please contact your child's teacher so we can ensure they are supported with this.

**Please Note: Our gates will still be locked from 9:30am-2:30pm each day. Entry to the school will continue to be through the Chamberlain Road main entry. Parents are reminded that there is no parking on school grounds, as all parking is allocated. For the safety of our students, please do not drive onto school grounds.**

### Rapid Antigen Testing

Last week we sent home two more RATs. These are saliva-based tests and will be the final delivery of RATs. Tests are to be used at your discretion such as if your child is symptomatic or there are cases in their class. Beyond that, students and staff can access PCR tests or buy their own rapid antigen tests as these are now readily available and accessible in the community.

### Masks

Masks are no longer be mandatory for all staff in school settings. However, staff and students who wish to continue to use them will be supported to do so. In line with community settings, workers who support our students with disability in SSPs, support units and some mainstream classrooms will be required to wear masks while working with students.

### Visitors to School

Visitors can be allowed back on school sites regardless of their vaccination status. Our school will consider activities such as assemblies, parent-teacher meetings and other gatherings in the coming days. We will let you know if these can proceed with our school in a COVID-smart way. All visitors are asked to follow our usual sign-in and sign-out process at the front office.

### Canteen

Our lovely canteen manager, Bec, is very excited to see changes to cohorting which will allow her to serve students directly at the canteen window once again. The canteen will be open for students to purchase item from at lunch and afternoon tea on Wednesday, Thursday and Fridays.

### Enhanced Cleaning

Our school will continue to ensure our layered COVID-smart measures are in place, including vaccinations for staff, contractors and volunteers, maximising natural ventilation in learning spaces, continued good hand hygiene practices and enhanced cleaning.

### Zone Swimming

Last Friday Mrs Harpur, Mrs Hollingsworth and MS Turner took a squad of 27 down to the Peninsula Leisure centre to participate in the BWPSSA Zone Swimming Carnival. All teachers commended the students on their exceptional behaviour, outstanding sportsmanship and impressive results. Congratulations Valley View, well done!

### International Women's Day

International Women's Day is celebrated today, the 8th March annually and is a global day recognising the social, economic, cultural and political achievements of women worldwide. This year's theme is "Gender equality today for a sustainable tomorrow". This theme recognises the contribution of women and girls around the world, who are leading the charge on climate change adaptation, mitigation, and response, to build a more sustainable future for all.

I would like to take this opportunity to sincerely thank all of the women who contribute to the education and wellbeing of students at Valley View Public School and acknowledge their wonderful work in providing opportunities for all.

### Before and After School Care

Did you know you can claim a \$500 voucher per child for before and after school care?

The BASC Voucher Program is an exciting initiative that offers families with a \$500 voucher per child, to support the cost of accessing BASC services.

Families can claim the voucher from Service NSW between 28 February and 30 September 2022, and must redeem the voucher at a participating before and after school care service by 31 December 2022.

# SCIENCE DAY!

On Wednesday 3<sup>rd</sup> March, Stage 1 had a Science Day. In science, we are learning about different materials, what happens when we mix them together and what their purposes are.

It was exciting to dress up as a Scientist.  
- Riley

We covered water bottles with cotton balls, foil and fabric to give them a jacket and make the water warm.  
- Addy and Jack

We used oil, cornflour and sand to make our own kinetic sand.  
- Acacia

We cut open face masks to see how many layers they had and what else was inside.  
- Angelo

We made oobleck with cornflour and water. It was hard to lift up fast and it was also like liquid.  
- Luca

I liked using materials to make spaceship art.  
- Indi and Richie

It was very fun and awesome! - Tristan, Phoenix & Will

I loved making the kinetic sand green, my favourite colour! - Jensen

## BIG PICNIC DAY

National Day of Action Against Bullying and Violence and Harmony Week.

On Friday 18 March (Week 8) we will be celebrating both the National Day of Action Against Bullying and Violence (NDA) and Harmony Week.

Students are encouraged to wear orange to school on this day. This is the colour that traditionally represents Harmony Week. Children could, for example, wear an orange ribbon in their hair, an orange shirt, hat or socks. As Harmony Week is a time to celebrate and promote cultural diversity and inclusion, students are also welcome to wear traditional clothing that reflects this if they wish.

We will again be having our 'Big Picnic Day' this year. Students will eat their lunch outside (weather permitting) and may bring a picnic rug to sit on. They may bring a treat for themselves, however unfortunately due to COVID guidelines, students will not be able to share food.

The canteen will also be having a meal deal on this day and students who purchase the meal deal will be able to eat it at the Big Picnic. More information on the meal deal can be found in the Canteen section.

Students will also participate in learning activities around Harmony Week and the Anti-Bullying within their class groups.

# School Student Travel

## Term 1 2022

### School student travel information for parents and students

#### School Travel Passes

Students who need a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

New Student Opal cards (including new Term Bus Passes) will be sent to the student's nominated postal address within two weeks of their application being approved.

Students living in rural and regional (R&R) areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

#### Terms of Use

**Students using Opal cards must tap on and tap off** in line with the [Opal terms of use](#).

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

## Tell Them From Me student survey:

Information for parents and consent form for parents and carers

Dear Parents and Carers

This term, our school is taking part in the *Tell Them From Me* student survey. The survey will provide us with valuable feedback on what our students think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help them improve. The survey is completed online and is run by an independent research company, **The Learning Bar** which specialises in school-based surveys.

Staff in schools will **not** be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where fewer than five students respond to a question, the results will be suppressed. The survey typically takes 30 minutes or less to complete and will be administered by the school during normal school hours. Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days.

As well as schools getting student feedback, the Department of Education, through the Centre for Education Statistics and Evaluation (CESE), has access to data from across NSW and is running a research project to look at state-wide patterns of student wellbeing, engagement and effective teaching practices. The research is looking at how these things impact on student outcomes, including academic performance. Individual students will not be identified in any CESE publications, and all information will be handled in accordance with the relevant privacy legislation. Students' personal information will **not** be disclosed by the department to any other person or body other than as required by law.

This research will help schools in New South Wales to better understand how to improve student wellbeing and engagement. It will also help teachers and principals discuss what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped.

If you **do not want your child to take part** in the survey, please complete the attached form and return it to the school by 10<sup>th</sup> March, 2022.

More information about the survey and the research is available in English at [education.nsw.gov.au/ttfm](http://education.nsw.gov.au/ttfm)

We want to welcome and encourage our Valley View community to get involved, contribute your skills and fresh ideas to make the Valley View P&C more innovative & dynamic in this new year. To become a financial member, the fee for 1 year is only \$1 and can be paid via a bank transfer and you can get those details from [secretaryvvpc@gmail.com](mailto:secretaryvvpc@gmail.com) **this fee must be paid before the AGM** and if you have missed Mel at the gates it can be paid at the regular meeting before the AGM.
