- Dental Van

24 Nov

- School Leader
Speeches

WEEK 8

28 Nov

- Yr 6 High School
Transition Day

Colour Run

Principal's Message

VSLC Leadership Project Presentation Night

Last Thursday the Valley View Leadership Team of Spencer, Skye, Rachael, Leila, William and Amber, celebrated the outstanding accomplishments of schools in the Valley Schools Learning community. The theme for the projects this year was 'Wellbeing'. Our wonderful leadership team presented an outstanding project, focusing on the new sensory garden and inclusive games they have been running in their lunchtimes and they certainly did our school proud. They have all worked so hard this year and are to be congratulated on their achievements. A special thank you to Jensen H for his solo guitar performance which wowed the audience and to Rachael B who helped emcee the night. Thank you must also go to Miss Monks for working so closely with the team to develop their skills and coordinate the project. We look forward to seeing what wonderful ideas next year's leadership team come up with.

School Leader and House Captain Speeches

On Friday 24th of November we will be holding an assembly for Year 5 students interested in becoming a School Leader or House Captain to present their speeches to the school. All parents are welcome to attend with the assembly beginning at 9:15am in the school hall.

Year 6 Colour Run

On Friday, 3rd of November the school oval was once again transformed into a maze of obstacles, activities and a sea of colour for the Year 6 Colour Run. It was a fantastic day with lots of fun had by students, staff and our volunteer parents. Thank you must go to the Stage 3 team for the enormous amount of work that went into organising the day, the Year 6 parents who were able to help on the day, and to the community for supporting the event!

Absences

Just a reminder, class teachers are not able to check Class Dojo messages for absences during class time. Parents will need to contact the school through the office or via email to provide an explanation as to why their child is away, or alternatively you can reply to the text message that is sent out.

Kindergarten 2024

We are now taking enrolments for Kindergarten in 2024. If you have a child starting next year or have any friends or neighbours with children planning on starting next year, please contact the front office on 43284433 or complete an online enrolment application via our school website.

P&C Partnership Agreement

The department and P&C Federation NSW have a long history of working successfully together. That relationship has been strengthened further with the launch of a 10-year Partnership Agreement.

The Partnership Agreement reinforces the importance of parents in their child's education and is an important part of supporting parents and carers so that students can achieve their potential through public education. The partnership aims to enrich student learning through positive connections, strengthen school communities and support parent/carer participation in their child's education.

Research shows parental engagement in their child's education significantly improves student outcomes and that learning is enriched by positive relationships between schools, students, parents, carers and community.

Valuable feedback from hundreds of P&C Association members, school staff and parents and carers helped to draft the partnership agreement.

NSW Department of Education Secretary Murat Dizdar shared his message of support in which he said he looks forward to the department and the P&C Federation NSW working together in partnership and celebrating the successes of our school communities.

"We know student learning is enriched by positive connections between schools, parents, carers and the community, and this formal agreement will build on those relationships for our students," Mr Dizdar said.

"Parents are the first educators of their children and by supporting them to continue to be involved in their local public school we can maintain these benefits all the way through our students' life at school."

P&C Associations offer a valuable voice for parents, carers and school communities in our NSW public schools. There are close to 1800 individual P&C associations in NSW public schools, more than 6,500 elected office-bearers [president, secretary, treasurer] and thousands of P&C members.

Getting involved in school activities can be a rewarding experience. Parents are always welcome to participate in school activities and are invited to join our school's P&C Association. We would love to see you at our meeting tonight, 7pm in the school library. By working together, we can better support our students to achieve their potential.

For more on the Partnership Agreement please visit [Getting involved with your child's school](#)

- Last Day of school

School Band

Valley View Training Band

On Saturday, members of our Training Band performed in the Band Festival at Narara Valley Baptist Church. The training band has recruited several new players over the last 2 terms (thanks to a scholarship program organised through the Conservatorium), so they have really just begun their musical journey. Our band was very excited and played alongside other training and concert bands from different schools. The band was awarded a Bronze certification, and they represented VVPS proudly. They looked fabulous in our new band shirts (kindly funded by the P&C). Thanks to the parents and families who were able to come along and support their children and we look forward to future performances.

Marg Suaning
Band Coordinator

Band Recruitment – Thursday 9th November

The Training Band and Concert Band showcased their talents last Thursday, in an effort to recruit more band members, they played wonderfully. After the band performed a few musical pieces, students were encouraged to explore instruments they were curious about. Our Concert Band has quite a few year 6 student who will be leaving next year. It was lovely to see so many students interested in learning an instrument. The conservatorium offers a wonderful program with tutors coming to the school for lessons and weekly band rehearsals. Instruments can be borrowed free through the school or hired through the conservatorium. It really is lovely to see our students develop their musical skills while participating in the band. If your child is interested please refer to the information in the newsletter.

Central Coast Conservatorium Of Music

School Band Program 2024

Do you want to learn an instrument and play in a band? Come and be part of a fun and engaging learning environment while experiencing the educational benefits of learning a musical instrument.

Program includes:

- One-to-one or small group lessons at school with Conservatorium teachers
- Whole band rehearsals with Conservatorium conductors
- Performance opportunities at school and external events

Join more than **600** young musicians from **23** schools across the **Central Coast**
Register your interest

To register your child's interest in our School Band Program send a text with their details to 0402 000 757. Alternatively scan the QR code (below), phone 4324 7477 or visit our website.

2023 Colour Run!

Last week we had our Stage 3 Colour Run fundraiser. Everyone had an amazing time and left very wet and colourful! A huge thank you to all the families who supported Stage 3 in this event!

PBL

WEEK 5

Stop, Walk, Talk – Safe Respectful Behaviour

At Valley View Public School...

Being a safe, respectful learner is an important part of the Valley View community and encourages all students to be a safe, responsible learner at all times.

Our community expects all our students to:

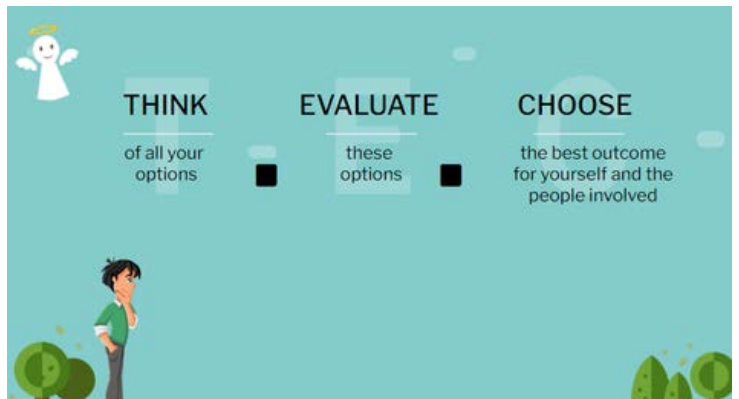

- make learning their top priority
- act in a safe way
- respect themselves and all other members of the school community
- take care of the school environment
- promote the good name of the school.

WEEK 6

Cyber safety making good choices

At Valley View Public School, we demonstrate our **Personal Best** online. We are **respectful** in our interactions and we use social media and gaming **responsibly**.

The next P&C meeting is Tuesday 14th November in the school library at 7pm

New Valley View Uniform Shop Price List - see attached

ORDER HERE:

<https://www.valleyviewpandc.org.au/shop/>

We hope everyone is getting excited about our end of year event. It is a great opportunity see the wonderful creative work of our children and have some fun as well.

There will be side show games and a scavenger hunt. Delicious pulled pork rolls, hotdogs and sweet treats.

Don't forget to purchase your Art Show tickets by going to the P&C Association site via the Valley View web page, then selecting Uniform Shop and clicking www.valleyviewpandc.org.au to go to our events page.

Tickets ordered online will be delivered to classrooms prior to the Art Show.

Tickets will also be available on the night at the doors. We hope to see you there!

Lost Property

Due to health and safety concerns please be aware that on Thursday 23/11, we will be throwing out any unclaimed lost property. The position and volume of the lost property means it becomes exposed to wet weather, spiders and other creatures as well as being very prone to becoming mouldy. We request that any items needing to be reclaimed are taken before this date.

Uniform Shop

Just a reminder that our Uniform shop opening hours have changed. We will now be opening from

8:30 - 9:30am every Thursday

NB: Online orders must be placed by 5pm on Wednesday

Canteen News

A huge thank you to all of my amazing helpers on our Colour Run day! Special thanks to Bec and Lisa for their help with our Viewstart canteen visit, hope everyone enjoyed their treats!
