Principal's Message

P&C Art Show

The P&C's Art Show/End of Year Celebration will be held this Thursday from 4:30pm – 7:30pm. All students have been extremely busy painting and creating their master pieces to go on display in the hall. There will also be games, food and live music on offer. See attached flyer for details regarding ticketing etc.

We hope to see you there!

Staffing

The Temporary Workforce Transition Initiative, following the Deputy Premier's announcement, will deliver on the government's commitment to make more than 10,000 current temporary teachers and 6,000 current temporary School Administration and Support Staff (SASS) and other support and well-being staff in schools permanent. These positions will be funded by schools, noting that offers of permanency are based on the proven capacity of the school to maintain the temporary employment of that staff member for at least the past three years and have committed to a further temporary engagement in 2023.

Congratulations to Mrs Suaning, Mrs Tomlinson, Miss Monks, Mr Boreland, Mrs Horncastle, Mrs Mason, Mrs Wootton and Tash who have been offered permanent positions. These are in various capacities ranging from full time to part time based on their previous workload over the last 3 years. This is a very exciting outcome for our school and these amazing staff.

Reports

Our Semester 2 reports are in the process of being finalised as part of the school's annual reporting process. This is an extremely busy time of year for all teaching staff and a lot of time and care is dedicated to finalising assessments and writing reports for all students in their classes to ensure parents and carers are provided with accurate and detailed information about their child's academic progress, commitment to learning, and their social and emotional development.

Semester 2 reports will be sent home with the students on Wednesday, 13th December.
