Principal's Message

As we approach the end of another remarkable year at Valley View Public School, it is with great joy that we reflect on the collective achievements and opportunities we have witnessed within our school community.

The past year has been filled with numerous successes, and it is a testament to the dedication, hard work, and collaboration of our incredible students, staff, and families – all of which was on display today at our Presentation Day. Congratulations to all students who were recognised for their hard work this year.

A heartfelt thanks goes to our outstanding and dedicated staff, whose passion for education and unwavering support have been instrumental in nurturing the potential within each student. Your tireless efforts have created a positive and enriching environment that fosters not only academic excellence but also personal and social growth.

As we bid farewell to our Year 6 students, we celebrate their accomplishments and are confident that the values and skills they have acquired during their time here will serve as a solid foundation for their future endeavours. We wish them success and happiness in their next chapter as they venture off to high school.

Looking ahead, we are excited to welcome new Kindergarten students and their families into our school community. The journey of learning and discovery that awaits them is filled with endless possibilities, and we are thrilled to be part of their educational adventure.

As we look forward to 2024 we are filled with optimism and anticipation for what lies ahead. Together we look forward to building on the successes of this year and achieving even greater milestones next year.

Finally, on behalf of the staff I would like to take this opportunity to wish you all a wonderful holiday season and a happy New Year!

Year 6 Graduation 2023!

Congratulations Year 6!

This week we celebrated Year 6 on completing their primary education. We took a trip down memory lane to recognise all the achievements and friendships made along the way. The students should be very proud of what they have achieved over the past 7 years.

To finish off, Year 6 had their formal at Event Cinemas at Tuggerah. Students enjoyed taking photos at the photo booth, followed by a sit-down meal. The Gold Class area was filled with balloons and the amazing cake design was cut by our fabulous leaders. Student's then received their popcorn and drink and sat back and enjoyed the new release film 'Wish'.

From all the teachers, we would like to thank the amazing parents who helped with decorations and the setting up of the formal. We would also like to thank all the students who looked amazing and who were respectful and appreciative on the night. We wish you all the very best as you embark on your high school adventure!

View Start 2024

Wow! What an excellent time we had at View Start this year. The teachers were blown away by how settled the children were. We had so much fun making crafts, doing a science experiment, using the tapping sticks, visiting the playground and going to the canteen. We also got to meet our buddies!

Thank you to Mrs Manson, Mrs Suaning and all the staff that supported the students. We can't wait to see you next year!

Canteen News

Canteen

A huge thank you to everyone who helped by donating time and/or treats on Thursday 30th November, the Art Show was an amazing night and it was wonderful to see so many families attend.

We hope everyone enjoys their Meal Deal lunch orders on Friday. If you have not yet ordered but would like to, please bring Meal Deals directly to the canteen tomorrow (not the front office) and we will do our best to accommodate (but please be aware that some items may no longer be available). Thank you for your support of the school canteen.

Once more, a massive thanks to all of the amazing volunteers who have helped in the canteen this year, we honestly cannot express our gratitude enough. Our school canteen relies on people who are willing to donate their time to help provide lunches and snacks to our students. If you are able to assist in 2024, please chat to Bec. We hope everyone has a safe and enjoyable break.
