## NUMERACY SUPPORT

Dear Parents/Carers,

Your Stage 3 child will be involved in a school-based program offering extra Numeracy support.

In Term 2 the Learning and Support team will continue to work alongside and in partnership with your child's class teacher and yourself to enhance your child's learning and build on their existing skills. This will consist of consolidating Mathematics skills, focusing on the Maths Strand – Number. Topics to be revised will include: addition, subtraction, place value and reading and writing numbers.

The program will be implemented during Term 2 and will be reviewed at the end of term. Thank you for your support.

Yours sincerely

Margaret Suaning  
Learning Support Teacher

Chad Wootton  
Learning Support  
Coordinator
