PBL Rewards Week Activities! Have Fun!				

Monday

Pet Description

Using your senses, come up with as many adjectives as you can to describe your pet.

One way you might like to do this is to split your page into four sections and label each section with one of the senses: Looks like..., Sounds like..., Smells like... and Feels like... (we won't be including Tastes like..., so please don't taste your pet!).

Have a look at the example below.

Looks like...

Sounds like...

Smells like...

Feels like...

Snail

Fly

MAKING MARVELLOUS MIXTURES

We absolutely cannot possibly condone making a medicine to make Grandma disappear, but we do have some other peculiar potions up our sleeves.

RAINBOW MIXTURE

You will need:

- | | |
|-----------------------------|------------------|
| ■ 5 glasses or jars | ■ Sugar |
| ■ Warm water | ■ Tablespoon |
| ■ A measuring cup or beaker | ■ Food colouring |
| | ■ Pipette |

- 1 Set up your glasses and measure one cup (or 240ml) of warm water into each one.
- 2 Using the pipette, add a couple of drops of food colouring to each glass. Make sure to use different colours in each glass.
- 3 Add different amounts of sugar to each glass, starting at 2 tablespoons in the first, 4 tablespoons in the second, 6 in the third and 8 in the last. Stir until the sugar is fully dissolved.
- 4 Using your pipette, suck up some of the liquid in each glass and add it to your final jar. For best results we suggest starting with the mixture with the most sugar and working your way to the least.

WHY DOES IT WORK?

Density measures the amount of mass in a given space. Some substances have more **loosely packed molecules** (making them lighter) and others have more **tightly packed molecules** (making them heavier).

When you add sugar to water, the sugar molecules fill the spaces between the water molecules, **meaning the molecules are much more tightly packed** and the density of the mixture increases.

CREATE YOUR OWN CHARACTER

Use the prompts below to create your own character. Your school can also book a live 'Creative Characters' online session with the Roald Dahl Museum and Story Centre, from anywhere in the UK!

MY CHARACTER'S NAME IS

THEIR SPECIAL SKILL IS

THEIR FAVOURITE THING TO DO IS

WHAT THREE WORDS WOULD
YOU USE TO DESCRIBE YOUR
CHARACTER?

1

2

3

TOP TIP!

Use your favourite Roald Dahl characters as inspiration. Maybe they'll be GIANT like the BFG, or very small, like Matilda. Will they be kind like Charlie Bucket, or adventurous like James?

DRAW YOUR CHARACTER HERE

MUSEUM AND
STORY CENTRE**

ONLINE LIVE LESSONS

BRING THE ROALD DAHL MUSEUM AND ITS EXPERTS RIGHT INTO YOUR CLASSROOM BY BOOKING A FANTABULOUS LIVE ONLINE SESSION, TAILORED TO EITHER YEARS 2-4 OR YEARS 5-8.

SESSION LEADERS WILL CONNECT YOU DIRECTLY TO THE MUSEUM, WHEREVER YOU ARE, THROUGH A MIX OF LIVE PRESENTATION, FILMS FROM IN AND AROUND OUR GALLERIES, AND PRE-DELIVERED ACTIVITIES YOU CAN FOLLOW DURING THE LIVE SESSION.

FIND OUT MORE AND BOOK ONLINE AT: [ROALDDAHL.COM/MUSEUM/SCHOOLS](https://roalddahl.com/museum/schools)

Marvin's Marvellous Wordsearch

Whilst you think about the amazing ways you can support Roald Dahl's Marvellous Children's Charity, why not do our Word Search and think about putting the 'fun' in fundraising!

NEVER GROW UP

NEVER GROW UP, ALWAYS DOWN!

Just look at all the very smartest
Scientists and famous artists
Who had the wit, the grit, the spunk
To think thoughts up-till-then unthunk.
Ignored the signs that said "NO WAY"
And went and did it anyway.

FIND NEVER GROW UP
IN BOOKSTORES NOW!

WHAT DO YOU WANT TO BE WHEN YOU NEVER GROW UP?

Be a wrestler!

Save the planet's
rarest beast!

Whizz round in a helicopter,
A fearless, flying ostrich doctor!

**Describe and draw
your ideas here**

Amaze the whole world
when you bake . . .
**THE BIGGEST EVER
CHOCOLATE CAKE!!**

The future's created by a curious,
Mischievous and disobedient few,
Who are (in fact) a lot . . . like . . .

... **YOU**

COLOURING-IN

The Roly-Poly Bird has lost his colours. Paint, glue or simply use your crayons and pencils to make him bright and beautiful again!

ROALD
DAHL
STORY
DAY

@Roald_Dahl
www.rolddahl.com

- Roald Dahl

"A little magic can
take you a long
way"

- Roald Dahl

"A person who has
good thoughts cannot
ever be ugly. You can
have a wonky nose
and a crooked mouth
and a double chin and
stick-out teeth, but if
you have good
thoughts they will
shine out your face
like sunbeams and you
will always look
lovely"

- Roald Dahl

Addition and Subtraction to 20

Colour by Number

Solve the calculations to colour in this summer picture.

Answer:	16	15	20	13
Colour:	red	yellow	green	blue

Counting in 10s Dot to Dot

Join the dots to reveal the picture!

Addition and Subtraction to 20

Solve the calculations to reveal the hidden picture. Each answer has a special colour.

yellow = 0-8

pink = 9-15

brown = 16-20

							$17 - 1$	
				$19 - 4$			$17 + 2$	
			$10 - 1$	$6 + 5$	$19 - 10$		$18 - 2$	
	$15 - 4$	$12 + 3$	$18 - 9$	$11 + 2$			$5 + 8$	
	$20 - 20$	$5 + 2$	$17 - 9$	$2 + 6$			$2 + 2$	
	$9 - 1$	$8 + 0$	$10 - 2$	$1 + 6$			$4 + 3$	
		$14 - 7$	$6 - 3$	$3 + 2$				
			$7 - 4$	$20 - 12$				
			$5 + 1$	$2 + 6$				

Challenge: You have 5 ice creams. You eat 2. How many do you have left? Write this problem as a calculation.

I Spy and Count to 20

Count the summer objects and write the numeral and number words.

I Spy and Count to 20

Object	Numerical	Number Word	Object	Numerical	Number Word
					
					
					
					
					

2D Shape Hunt

Count and colour the 2D shapes hidden in this summer scene.

Number Representations to 20 Match Up

Draw a line to match the boats to the correct number representation.
Write the number in words.

Summer Fruits Fractions

Colour the correct fractions of the fruits.

For each group of summer fruits, colour in $\frac{1}{2}$.		

For each group of summer fruits, colour in $\frac{1}{4}$.		

Summer Holiday Activities

Board Game

You will need:

- Counters
 - A dice
 - Pencil
- Instructions**
- Each player starts the game with 20 points.
 - Take turns to throw the dice and move your counter around the board.
 - When you land on a square, add or subtract the points on that square to or from your score.
 - When a player reaches the finish, the player with the most points is the winner.

Keep track of your score here:

Name:	Name:	Name:	Name:
20	20	20	20

Tuesday

Looking after Yourself

There are lots of different things we need to do to look after ourselves. How do you look after yourself?
Draw a picture in the box to show a way of looking after yourself.

Looking after Yourself

There are lots of different things we need to do to look after ourselves. How do you look after yourself? In each box, complete the sentence and draw a picture to show different ways of looking after yourself.

To look after yourself, you
should ...

To look after yourself, you
should ...

To look after yourself, you
should ...

Looking after Yourself

There are lots of different things we need to do to look after ourselves. How do you look after yourself? Can you draw a picture in each box to match the sentence?

To look after yourself, you need to talk to others about how you are feeling.

To look after yourself, you need to eat a balanced diet.

To look after yourself, you need to do some exercise.

To look after yourself, you need to look after your personal hygiene.

To look after yourself, you need to think about what you wear.

To look after yourself, you need to rest and sleep.

Spelling Word Puzzle

Word Count:

A	D	I	N
E	G	J	A
S	Y	F	A
U	D	E	R

This image shows a single page from a notebook or ledger. The page is white with a dark border. It features approximately 20 horizontal ruling lines spaced evenly down the page. There are no margins, text, or other markings on the page.

Pet Diary: What does your pet do in a day?

Observe your pet and take notes throughout the day or research what your chosen animal might do throughout the day. Include details about their diet and their activity.

You might like to answer some of these questions to help you.

- What do they eat?
- When do they eat?
- When do they sleep?
- Where do they sleep?
- When do they play?
- What do they play?
- What else do they do?

Spider

Worm

How many different ways can you make 15?

Estimate how many pieces of pasta were in your cup.

Tally your pasta pieces.

Group your pasta pieces by 5's (or any other number)

Maths with a cup of pasta

Make a repeating pattern with your pasta pieces.

Weigh your pasta pieces.
Estimate the weight of 20, 30 pieces etc

Put some pasta pieces into containers and write the number sentence.
 $10 + 8 = 18$

Measure the area of your lunchbox, book etc.

Can you make a symmetrical picture?

Measure the length of objects using your pasta pieces.

Measure the capacity of a box.
8 pieces of pasta fit in a match box

Count your pasta pieces by 2's, 5's etc

Make some 2d shapes .

Make an array. 4 rows of 3, is there another way?

Count your pasta pieces by 1's

Share your pieces equally (If you can!)

Soaring seeds

Make your own flying seed and watch it disperse!

What you need:

Paper template, scissors, paper clip

Something extra:

Coloured markers, feathers, different sized paper clips, etc.

Let's get started!

- Colour the seed template first if you want to
- Cut out the seed template along the solid lines ———
- Cut along any solid lines within the template ———
- Fold along the dotted lines - - -
- Attach a paper clip to the bottom of the seed (folded end)
- Hold your seed up high and let it go!
- How far did your seed travel?

Let's get experimenting!

- Test how far your seeds travels in different conditions:
 - Inside vs outside
 - Windy vs calm
- Test how far your seed travels when released from different heights
- Test how far your seed travels using different sized paper clips
- Test how far your seed travels with different 'wings'. Try using feathers!

Make a hypothesis!
In what conditions do you think your seed will travel the farthest?

Seed dispersal is the movement of seeds away from their parent plant!
If plants grow too closely together, they will have to compete for resources!

How Can I Look After Myself?

This activity will help you think about the different ways you can look after yourself. Read and answer the following questions.

What do you think your body needs to be healthy?

My body needs food and water to be healthy.

How Can I Look After Myself?

What do you think your brain needs to be healthy?

'My brain needs to rest and get a good night's sleep.'

How Can I Look After Myself?

What do you think you can do to keep your heart happy?

'I need to laugh with my friends.'
